# ALMA MATER

Oh, Conemaugh with spacious halls  
and campus bright and green,  
Our fondest memories will remain  
with each endearing scene.  
We'll ever pledge our loyalties,  
devoted hearts to you,  
To Thee, our Alma Mater, we'll  
ever more be true.  
Hail, hail to the Red and Black,  
Hail to our school with a cheer,  
We give our best to Conemaugh,  
Whose fellowship we hold so dear.

# DEDICATION

The production of a yearbook requires a hardworking staff and a dedicated advisor. This advisor for many years has been Miss Elizabeth J. Will. Each year she has worked extremely hard with a succession of yearbook staffs to produce many outstanding yearbooks.

Through the years that we have been at Conemaugh Township High School, Miss Will has always been involved in our work and problems.

Miss Will, in appreciation for your many years of selfless and devoted service, we dedicate this yearbook to you.

# SUPERVISING PRINCIPAL

MR. JOHN CHOBANY

Indiana University of Pennsylvania, B.S.; University of Pittsburgh, M.Ed.; Graduate Work at University of Pittsburgh; Supervising Principal.

To the Members of the Senior Class;

I believe that school should be an enjoyable experience which enables each youth to develop his own talent, ability, and skill. It is my sincere hope that you have enjoyed your school days; that you have taken advantage of your school opportunities; that you will contribute your share to a democratic society, and thus enjoy a fruitful life.

The senior class of 1968 accepted the responsibility of helping in the administration of this school during the time we were without the services of a High School Principal. I realize that this has been a real challenge and I am proud of you in the way you handled it.

John Chobany  
Supervising Principal

MR. LOWELL D. SHAFFER

University of Pittsburgh, B.A. cum laude; Carnegie-Melon University, M.A. History; Graduate Work at Bradley University, Western Maryland College, and the University of Pittsburgh.

To the Seniors:

Graduation from Conemaugh Township High School does not signify an end to education for any of you. It is, rather, a point along a continuum, the continuum being that aggregate of experiences and education which comprises life itself.

As graduating members of the class of 1968 you enter a world in which change accelerates obsolescence. The challenge of a computerized and highly impersonalized society awaits you.

However, opportunities await those who accept change and the challenges of a dynamic social structure.

Hopefully, the educational experiences, both curricular and cocurricular, here at Conemaugh Township High School will aid you in confronting the world of the future.

I am extremely proud to have been so closely associated with each of you, as a teacher, and now as your principal. I can only wish you well. You, as a cross section and composite of our population, are this nation's greatest asset. To the seniors of the Conemaugh Township High School Class of 1968, we wish the best of luck for the challenging future.

Lowell D. Shaffer  
Principal

## IF

If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too;  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated don't give way to hating,  
And yet don't look too good, nor talk too wise:

If you can dream—and not make dreams your master;  
If you can think—and not make thoughts your aim,  
If you can meet with Triumph and Disaster  
And treat those two imposters just the same;  
If you can bear to hear the truth you've spoken  
Twisted by the knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings;  
And risk it in one turn of pitch-and-toss,  
And lose, and start again at your beginnings  
And never breathe a word about your loss;  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,  
Or walk with kings—nor lost the common touch,  
If neither foes nor loving friends can hurt you,  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the earth and everything that's in it,  
And—which is more—you'll be a Man, my son!

### THERE IS NO FRIGATE LIKE A BOOK

There is no frigate like a book  
To take us lands away,

Of prancing poetry.

This traverse may the poorest take  
Without oppress of toil;  
How frugal is the chariot  
That bears a human soul!
